## About NEMPAC

NEMPAC is a non-profit 501(c)(3) organization founded in 2001 by a group of five local mothers who were seeking arts enrichment programming for their children. NEMPAC has since grown to become an important resource for the North End, Charlestown, and beyond. As a music school, NEMPAC reaches over 1,550 students per week through private lessons, group classes, and Boston Public and private school partnerships, offering programs in music, dance, and theatre. As a highly-respected performing arts center, NEMPAC presents public concerts and professional performance projects, involving hundreds of local Boston artists in chamber concerts, Opera Project, and more. Many of these programs are free to the public, including Jazz in the Park, and Opera from the Balcony.

## NEMPAC's Mission:
